TIMEX WALL PANEL

Breathing life into spaces since years...

Since its inception in 1985 by founder, chairman, and managing director Mr. Mahendra Gala, Timex has made its presence felt in homes, offices and commercial spaces. We have been serving our customers with quality products in Veneers, Plywood, Laminate, ACP, Ceramics and Doors since more than 35 years. Timex is an ISO 9001: 2015 standardized, ISI and FSC certified industry member. Apart from that, we are also proud members of the Indian Green Building Council. Equipped with state-of-the-art technology and internationally trained professionals, our facilities are adept at churning out products that match global standards.

WOW ALL... WITH WALL PANELS

With Timex Wall Panels, you're inundated with a variety of textures, designs and patterns; a sophisticated simplicity of shades and shadows. All reflecting the latest worldwide trends. Now you can make your walls come alive with exquisite styles. Manufactured using only the most advanced technology, Timex Wall Panels are designed to last and offer unmatched freshness to your walls. The panels are available in large sizes to quickly revamp your interiors.

A new generation of wall panel embellishments that will invigorate your interior spaces with uniquely inspiring styles. Take a fresh breath of air, far away from the ordinary and uninspiring decorative fare.
